

We are hiring a Maternal and Child Health Nurse to join our amazing team in Cheyenne, Wyoming. The heart of public health is the community we work to protect. For Cheyenne Laramie County Public Health (CLCPH), that community is Laramie County. We live by the mission to protect, promote, and enhance community health for everyone in Laramie County.

As a Maternal and Child Health Nurse, you will:

- Perform medical case management services to pregnant women, newborns/infant/toddlers, and their families. These services include client centered services linking clients with health care, psychosocial, and other services.
- Ensures timely and coordinated access to medically appropriate levels of health care and support services as well as continuity of care through ongoing assessment of the client's needs and personal support systems.
- Perform assessment, planning, implementation, coordination, monitoring and evaluations to individuals receiving services in their homes and in the public health office setting.
- Become competent in public health emergency preparedness activities.

If you are the right person for this opportunity, you will have the following skills and experience:

- Must be licensed or eligible for licensure as a Registered Nurse (RN) in the State of Wyoming
- CPR Required
- COVID & Flu vaccination
